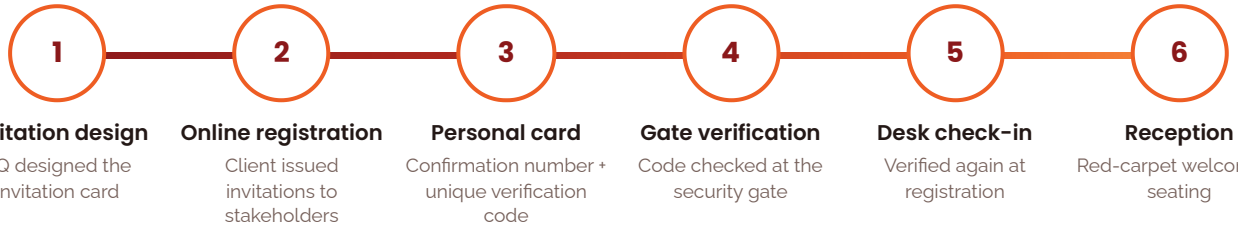
PLANNING & ACCESS

03 Logistics & Guest Journey

PQ coordinated all logistics to ensure a smooth, on-time event at the airport hangar venue. Planning covered the full guest journey, supplier scheduling and the on-the-day running order.

The guest journey



- **Planning & Coordination:** prepared the event plan, timeline and supplier schedule, and coordinated all vendors and crew ahead of the event day.
- **Guest Invitation Design:** designed the event invitation card for the client; invitations were issued by the client to stakeholders for online registration, with each accepted guest receiving a personal card carrying a confirmation number and unique verification code.
- **Registration & Check-in:** supported online registration and ran gate and desk check-in, verifying each guest's unique code at the security gate and registration desk.
- **Venue Preparation:** set up and dressed the hangar venue, including entrance, reception and seating zones.

MOVEMENT & SETUP

04 Transportation & Venue Setup

Guest transportation was arranged and coordinated through Sahal. Approximately 290 guests were transported from Km4 to the venue and back, with the PQ team managing scheduling and movement for both the arrival and the return journey. A further guests travelled in their own vehicles, and parking and access were coordinated with the venue. At the close of the event, PQ ensured that every guest had return transport, with no guest left waiting.

Venue management and setup

PQ configured and built the event space inside the hangar, delivering a complete stage, screen and audio-visual setup:

- **Stage Design and Installation:** configured and built the main stage, with event backdrop and branded staging for speakers and officials.
- **Audio-Visual Equipment:** installed and fully tested the sound system to ensure clear audio throughout the venue.
- **Screen Installation:** supplied, installed and fixed on site the LED screen for presentations and live display.

PROTOCOL & PROGRAMME

05 VIP Protocol, Ceremony & Side Meeting

With more than 310 guests, including ministers, donors and senior stakeholders, PQ managed protocol and guest flow to a high standard:

- **Reception:** received VIP guests at the red-carpet reception, with staffing to welcome and direct attendees on arrival.
- **Seating:** managed seating and access on site, with reserved areas for high-level guests.
- **Coordination:** handled walk-in guest admissions in coordination with, and as approved by, the client throughout the event.

Ceremony coordination

PQ coordinated the running of the ceremony from start to finish, managing the programme flow, cueing speakers and presentations, and liaising with the client to keep the event on schedule. The team provided live interpretation support so that all guests could follow proceedings, supplying translation equipment and simultaneous interpretation.

Side meeting room setup

A dedicated side room was prepared to support high-level meetings held alongside the main event:

- **Room Preparation:** set up and dressed the side meeting room with seating and the required facilities.
- **Privacy and Security:** arranged the room to ensure privacy for high-level discussions and coordinated access with the client.

VISUAL IDENTITY

06 Event Branding & Printed Materials

PQ produced the full suite of event branding and printed materials, designed, printed and installed for the event:

- **Design:** designed the event brand and graphics, pull-up banners, a branded media wall, event photo frames and the screen & display visuals.
- **Printing:** produced participant folders with materials, the results booklet and newsletter, event programmes and participant badges for all guests.
- **Media & Production:** produced the event photography, video coverage and a legacy documentary shown during the programme.
- **Installation:** installed and fixed all banners, backdrops and branding on site ahead of guest arrival.

The mockups on the following pages show each production artwork at its specified print size.

Branded media walls

Step-and-repeat media walls carrying the event title, theme, date and all partner logos provided the photo point for guests and VIPs, with the red-carpet reception set in front.

HOSPITALITY

08 Catering, Hospitality & On-site Support

PQ arranged morning refreshments and a networking lunch for all participants, with service managed to keep guests comfortable throughout the day:

- **Catering:** provided morning refreshments and a networking lunch for all guests, including a reserved area for high-level guests.
- **Service:** deployed professional, attentive catering staff to serve guests efficiently.
- **Hospitality:** created a comfortable, elegant setting that supported networking and informal discussion.

On-site support and client assistance

A full PQ team was present on site throughout the event to manage delivery and provide direct assistance to the PIU, Ministry of Finance. The team supervised setup, guest management, stage and AV operation, catering and transport, resolving requests in real time and ensuring the client's requirements were met at every stage.

ON THE DAY

09 Challenges & Solutions

PQ managed the event proactively and resolved operational points as they arose, maintaining a professional atmosphere throughout.

~10:30
Programme began; running order adjusted

~1:00 pm
Formal programme brought to a close

2:00 pm
All activities completed; every guest given return transport

CHALLENGE 01

Delayed start

Guests arrived later than scheduled, so the programme began at around 10:30. PQ adjusted the running order and kept proceedings moving, bringing the formal programme to a close at around 1:00 pm and completing all event activities by 2:00 pm.

CHALLENGE 02

On-the-day requests

Handled client-approved walk-in guests and last-minute adjustments without disruption to the programme.

REACH

10 Media Coverage & Handover

PQ engaged media houses (national television, radio and news outlets) to cover the event, and carried out a full media analysis logged in a dedicated tracker. Coverage was secured across the outlets in full: 46 items were recorded, on air and online, in both Somali and English.

Views are the clearest measure of reach. The most-watched coverage ran on Dalsan English TV (around 41,000 views) and Astaan TV (around 30,000 views), with further coverage on Dalsan TV, Dawan TV, Goobjoog, SNTV, Dawan Africa and RTN. The media houses and their links are listed in Annex C.

Handover to the client

All media assets produced and collected for the event were handed over to the PIU, Ministry of Finance:

- **Media coverage tracker & analysis:** the full media-house coverage log and analysis: 46 items across national TV, radio and news outlets, with links, outlet, views and key messages for each item.
- **Event photographs:** the complete set of high-resolution event photographs.
- **Highlight video:** the event highlight video and legacy documentary produced by PQ.

These assets are provided for the client's own records, reporting and future communications.
